requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled more consecutive terms (excluding summer terms), they must re-enter under the program requirements of the current catalog. Students are responsible for reading program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
